Claims Information

Household Goods Moved under the "DP3" (Defense Personal Property Program)

Summary: If you have moved through the DP3 program, you must enter your Notice of Loss or Damage on "DPS" (Defense Personal Property System), the database provided by the Surface Deployment and Distribution Command (SDDC) for the DP3 Program.

What is DPS? "DPS" is an internet based system that processes household goods shipments from cradle to grave. Claims filing is one on the modules in the system.

How it works:

- You may receive counseling online from the DPS or the Transportation Office (TO) about your DP3 move.
- With a password and User ID, you can file a claim against the Transportation Service Provider (TSP) online through the DPS system as well as complete a Customer Satisfaction Survey (CSS).

Where to fine the DP3 Address: The web address for DPS is: http://www.move.mil.

To register for an account:

- Log into the above address.
- At top of page, click on "DOD CUSTOMER", At far right, click on "TO REGISTER FOR A DPS ACCOUNT".
- This immediately takes you to a secured site: https://www.eta.sddc.army.mil.
- At this screen, log in the personal information requested, and if requested for confirmation, reenter the information.
- The system will email your password to you at the address you designate, within 24 hours.

Once you have your password: Go to LOGIN under http://www.move.mil and enter your SSN and Password. You must enter directly into the DPS system the information related to filing a claim from damages or missing items after your move to include the following:

- Notice of Loss or Damage (enter onto system within 75 days of delivery): You must submit a list of all missing or damaged items within 75 days of the date of delivery into the DPS system, referring to the form that movers give to you when your goods were delivered. This form is called the "DOD Defense Personal Property Program Notification of Loss or Damage <u>AT Delivery</u>" (See Attachment). The flip side is the DOD Defense Personal Property Program Notification of Loss or Damage <u>AFTER Delivery</u>" (See Attachment). If you have moved previously with the military, this form resembles the DD Form 1840/1840R. Instructions for providing Notice of Loss are also on the form.
- Your Claim (entered into the DPS system within nine months of the delivery date): Instructions for filing the
 claim are also on both sides of the "DOD Defense Personal Property Program Notification of Loss or Damage"
 form.

Need Help?

- The DPS system helpdesk number is 1-800-462-2176, select option 5.

DOD DEFENSE PERSONAL PROPERTY PROGRAM NOTIFICATION OF LOSS OR DAMAGE AFTER DELIVERY (This is not a Claim)

INSTRUCTIONS TO The CUSTOMER (OR THEIR DESIGNATED REPRESENTATIVE): You have up to 75 days to inspect your property, note all loss and damage not discovered and reported at the time of delivery and provide notice to the Transportation Service Provider (TSP). If notice is not timely sent, you may lose any potential recovery of your damages from either the Government or the TSP. Notice should be given electronically (on-line) to the TSP pursuant to instructions in Section A, below. However, if you are unable to file on-line you may give notice by using this document following the instructions in Section B, below. NOTE: Notifying the TSP of your loss or damage is not the same thing as filing a claim. For information on filing a claim against the TSP read Section C, below. If you have questions about this document, contact the TSP listed on the reverse of this document.

SECTION A - NOTIFICATION ON-LINE

To notify the TSP of loss or damage noted after delivery, use the Department of Defense (DOD) Defense Personal Property System (DPS). Use of this system is the most efficient means to provide required notice. Any computer with Internet capabilities may access this system at https://eta.sddc.army.mil/portal/etaPortal.asp?app=DPS&bhcp=1. Instructions for using the DPS will be provided at the web address. If you have problems accessing a computer, contact your immediate supervisor or local installation legal office for assistance. Remember, you must notify your TSP in DPS by midnight of the 75th day following delivery. If you have provided notice in DPS you DO NOT need to complete Section B, below.

SECTION B - WRITTEN NOTIFICATION

The best way to provide notice of loss or damage to the TSP is through the DPS as noted above. However, if you are unable to provide notice on-line you may fill out this section and send it to the TSP noted on the reverse. This document must be mailed (postmarked) or faxed to the TSP by midnight of the 75th day following delivery. Keep a copy of this document and proof that it was sent to the TSP for your records. If more than one page is needed, please include your name, PPBOL No. and number of pages on each supplemental page used. USE ONLY BALLPOINT PEN OR TYPEWRITER.

NOTICE TO TSP: You are hereby notified the customer (or their designated representative) intends to present a claim for the loss and/or damage as noted on the NOTIFICATION OF LOSS AND/OR DAMAGE AT DELIVERY and this document. You are hereby extended the opportunity to inspect the property.

SECTION C - FILING A CLAIM AGAINST THE TSP

To submit a valid claim to the TSP who shipped your goods, log-on to the DOD DPS at https://eta.sddc.army.mil/portal/etaPortal.asp?app=DPS&bhcp=1. Instructions for using the DPS will be provided at the web address. You must file your claim in this system within 9 MONTHS of your property's DELIVERY or you will not receive "full replacement value" for eligible loss. You do not need to have repair estimates in order to enter your claim in DPS. If you choose not to file your claims in DPS, you may file a claim directly with your Service Claims Office; however, you will not be eligible for full replacement value and will be responsible for obtaining and providing all estimates of repair. Contact your local installation legal office for further information on filing with the Government.
